

***Stoke Golding
and
Dadlington
Directory***

Autumn 2011

The Charity of Thomas Barton, formed in 1400, was originally for the provision and maintenance of footpaths so that villagers could reach the local markets. After changes authorised by The Charity Commission, it is now able to assist in any project, 'for the general benefit of the inhabitants of Stoke Golding'.

It has provided financial assistance for many village projects such as cycle training at the primary school, floodlighting at St Margaret's Church, financial aid in the preparation of the new cemetery, covers for the cricket team's wicket, payments to the Parish Council for several items, including play equipment, grit bins, seats and dog waste bins, and of course the Trustees are happy to support the publication of this latest copy of the village directory.

Mr Paul Spokes, Chairman of the Charity, said: '*We would welcome any suggestions for projects which meet the terms of our scheme and would give them due consideration at our next meeting*'.

If you have any ideas for projects for the Barton Charity to consider please contact:

The Stoker Magazine

The Stoker Production Team aims to produce an informative village magazine for Stoke Golding and Dadlington. Advertising is strictly limited.

We appreciate articles and reports of sporting and school activities and letters being sent to us and will do our best to ensure they are printed.

If you are celebrating a special event let us know, with a photograph if possible, and we will endeavour to include it.

We do not charge for adverts for village events of a charitable nature.

We will deliver the magazine to your home free of charge.

Tel. Alan Taylor 01455 212605 for details.
